Address

33 E Broadway Ave.
Meridian, Idaho 83642

fireeducation@meridiancity.org

We offer assistance to Meridian residents by helping install and replace batteries and smoke alarms.

Supplies are limited, so we kindly request that you meet the following requirements:

1. Reside in Meridian
2. Homeowners. Renters should contact their landlords to ensure a functional smoke alarm is installed.
3. Individuals with low income who are unable to purchase an alarm, face physical limitations, or seniors on a fixed income.

*Smoke Alarms...
Make Them Work For You!*

RESIDENTIAL SMOKE ALARM ASSISTANCE PROGRAM

Smoke Alarm Safety Tips

- Install smoke alarms in every sleeping room and outside each separate sleeping area.
- Install smoke alarms on every level of the home and consider extra alarms for larger homes.
- Smoke alarms should be interconnected, so when one sounds, they all sound.
- Test all smoke alarms at least once a month and replace batteries as necessary.
- Keep smoke alarms at least 10 feet away from the stove to reduce false alarms.
- Consider using special alarms with strobe lights and bed shakers for those who are hearing impaired or deaf.
- Replace all smoke alarms every ten years.
